

## REFUND POLICY

Last Updated: 11/18/2024

### **No Refunds for Purchases**

Due to the nature of our subscription-based, paywalled products, ALL SALES ARE FINAL AND NON-REFUNDABLE. As a Subscriber, you are not entitled to a refund or credit from BetBucket, a Sports Analyst, our payment processor, or any parties affiliated with any of the foregoing under any circumstances, including, without limitation, for your incorrect purchases, your failure to use a Product or Content, your dissatisfaction with a Product or Content, or delayed or undelivered notifications or messages from a Sports Analyst.

However, we or a Sports Analyst may, at our or their sole discretion, offer a refund, discount or credit at any time. Receiving a refund, discount or credit in one instance does not entitle you to any further refunds, discounts, or credits in any other or future instances.

### **Account Auto-Renewal With No Refunds**

Please keep in mind that, as a Subscriber, your subscription to a Sports Analyst's Product will automatically renew at the end of your free trial period or Subscription Period. Visit your [Subscription Settings](#) to manage renewal activity for all of your subscriptions. If you do not want to stay subscribed to a particular product, please click "Cancel Subscription". You will not be entitled to a refund or credit as a result of your failure to disable the automatic renewal of your subscription: we do not issue refunds or credits of Fees for partial or unused Subscription Periods.

### **Account Termination with No Refunds**

In addition, a Subscriber is subject to immediate termination of their BetBucket account without refund of any Fees paid for then-current Subscription Periods, if any one of the following events occur:

- Threats from the Subscriber to a Sports Analyst.
- The Subscriber shares paywalled Sports Analyst content

If you have any questions about payment or refunds, please email us at [contact@betbucket.com](mailto:contact@betbucket.com).
